Important Stafford Loan Information

Previous student loan borrowers, indicate below if you would like to continue using the same lender.

Yes, I would like to use my previous lender. *(Only applicable if you entered TU prior to Fall '09.)*

If you checked yes to the above question, you may now proceed to the Certification Section.

If you are interested in obtaining student loans and have not previously borrowed Federal student loans, or if you would like to change your lender, you must indicate which lender you would like to use. Please indicate below your lender selection. If you leave this section blank, we will not be able to process a student loan for you. We are providing you a list of lenders that are commonly used and chosen by our student population. Our intention in providing you this information is to assist students and parents in navigating the complex student loan industry. Links to these lender's web pages are provided on our webpage in order to give you some insight to each lender's specific benefits. There are many Federal student loan lenders; you may choose any lender. Please note: This does not obligate you to accept a student loan; it allows us to start the application process. By signing page two of this application, and upon answering yes to the question "Are you interested in student loans, which you must pay back" on the FAFSA, I authorize the University of Tulsa to electronically process a student loan in my name.
