I am a prospective student visiting The University of Tulsa ("TU"). Through the Office of Admission at The University of Tulsa, I have been offered the opportunity to attend an overnight campus experience ("Activity") on _____. Attendance and participation are not required for me to gain admission to The University of Tulsa, but are made available to me on a voluntary basis.

In consideration for being allowed to attend and participate in the above described Activity, and activities related to it, I declare that I am aware of the risk factors which may be present. I acknowledge that attendance, participation and travel associated with the Activity carry certain risks including those risks inherent in any comparable travel to a large city, including but not limited to risk of theft, assault, vehicle crash or other accident which may result in loss of personal property, bodily injury or even death. I choose to participate as above described, and acknowledge that I am not required to do so for admission at the University of Tulsa.

Further, I declare by my signature below that:

1. I assume full responsibility for all risks associated with my choices as described above;
