SCHOLARSHIPS

Students interested in The University of Tulsa **Performing Arts Scholarships** or **Athletic Scholarships** should contact those departments or coaches directly for requirements (such as auditions, etc.) for award consideration. When the Office of Student Financial Services is notified of a student's selection for these awards, a notice will be sent. Scholarships are awarded for eight semesters, as long as the student maintains the requirements for renewal of the award. Details of these requirements can be found at http://www.utulsa.edu/admission-and-financial-aid.aspx.

NEED-BASED AID APPLICATION PROCEDURE

To apply for the University Need-Based Grant, federal funding or state funding, the following form is needed to complete your application (additional forms or data may be required as determined by the Office of Student Financial Services):

The 2013-2014 Free Application for Federal Student Aid (FAFSA). The TU School Code is 003185.

To complete your application for financial aid, the government must process your FAFSA. Students may complete their application by using FAFSA on the Web, available at www.fafsa.ed.gov. You can find this link, as well as other important financial aid information, in the Financial Aid section of The University of Tulsa homepage. http://www.utulsa.edu To complete or make corrections to the FASFA, you will need a Personal Identification Number or PIN from the Department of Education. Both the student and one parent need a PIN in order to sign and complete the FAFSA. You can request a PIN from the Department of Education at www.pin.ed.gov. Oklahoma students applying for the Oklahoma Tuition Aid Grant (OTAG) must have a FAFSA processed before March 1, 2013, as OTAG funding is limited.

VERIFICATION

Effective for the 2013-2014 award year, the federal government implemented changes to the verification regulations. The standard list of required verification data items has been replaced with customized verification selection criteria that will be published annually by the Department of Education. The Student Financial Services Office will request the required verification document(s) from the applicant upon receipt of the FAFSA.

TU does not disburse awards for students who are selected for verification until the process is complete. Failing to complete verification by the deadlines will result in loss of any eligibility for federal aid funds. If you completely withdraw prior to submitting the documents for verification, federal aid will not be considered.

If you are eligible for federal funds, you must complete verification prior to the last day of enrollment for 2013-2014 award year or **September 22, 2014**, whichever is earlier. In addition, a valid EFC must be received by TU before the last day of enrollment. Direct loan applications must be certified by the Office of Student Financial Services prior to the last day of enrollment to receive loan funds. TU does not disburse awards for students who are selected for verification until the process is complete. If you have any questions concerning verification and the required documents, please contact the Office of Student Financial Services. Failing to complete verification by the deadlines will result in loss of any eligibility for federal aid funds. In the event that a student completely withdraws, verification documents must have been received prior to withdrawal in order to be considered for financial aid.
