FAQ's

What is my class level?

You are a freshman if you have from one to twenty-nine credit hours completed. Sophomore standing is from thirty to fifty-nine credit hours, junior standing from sixty to eighty-nine credit hours; and senior standing is above ninety credit hours.

Can I take classes at another institution that will transfer here?

There are some important restrictions that apply to transfer credit. To ensure transferability, students must seek approval from their advising offices before enrolling in classes elsewhere. University policy states "the last 45 credit hours towards graduation must be taken in residence at The University of Tulsa" (effective Fall 1995). For further information, [click here](#).
