### **HOT TOPIC:**

#### **Importance of Reporting Your Employment**

Business Career Development tracks placement information for internships and full time positions for Business students. You might be asking, "Why do I need to tell them this information? This is private?" Here is why:

- 1) This information helps rank The University of Tulsa in national rankings.
- 2) This information helps recruit prospective students.
- 3) Great marketing information.

Student information is published in statistical form and salary information is reported as an average.

Please see the value in this information and send us an email with your information today. Thank you!

### **Students Prepare for the Job Search**

Students had several workshop opportunities to prepare for the Fall job fairs and interviews. The workshops included information on how to work a career fair, proper interview attire, job search strategies and interviewing skills. Employers from Grant Thornton and ONEOK participated in mock interviews with students.
