The U.S. Citizenship and Immigration Services requires that you file a statement with the University that shows adequate financial support for your education. You must submit the enclosed University of Tulsa Confirmation of Financial Resources form to the TU Office of International Student Services. This form must be signed by you and your sponsor, and countersigned and sealed by the sponsor’s bank. Such seals and signatures must be in original ink, not photocopies. Bank deposit statements are not acceptable.

There is only one exception to the use of this form. If you are sponsored by a government or agency, such sponsors must provide an official letter with an original signature clearly indicating that financial support will cover all University costs and personal living expenses. If such sponsorship does not cover all costs, additional evidence of funding for uncovered expenses is required, as indicated above. Be certain to check the estimated annual expenses on the attached enclosure. These figures are subject to change.

Documented evidence of financial support must bear a date not older than one year prior to the desired dates of attendance. Such documentation must be received before your final status is determined. After you are admitted, an I-20 will be issued by the TU International Student Services Office.
