Intramural Championship Golf Doubles Tournament Rules

1. USGA rules will govern play, except where local rules apply.
2. A one round 18 hole tournament will be conducted using stroke play.
3. Men must tee off from the white tees.
4. At least 6 tee-shots must be used for each player. Please mark on your score card who's tee shot was used on which hole.
5. Both players hit their tee shots, team then selects which tee shot they would like to play. Then both players hit from within one clubs length of that ball (but no nearer to the hole). This process is continued until the first ball is in the hole.
6. The first ball in the hole counts as the given score. (Therefore make sure you mark your ball until both players have putt.)
7. Score cards must be signed by all players and turned into the Intramural office by Monday, September 19th, 5:00 p.m.
8. Tie Breaker Procedure: Scorecard match play will be used to determine the winners, beginning with the #1 men's handicap hole and continuing until a winner is determined.
9. Please remember you are representing the University of Tulsa, and act appropriately.
