Camp Incredible at University School

Summer 2012

DATES

Our summer program will consist of six one-week sessions as follows:

Session 1: June 4 - 8
Session 2: June 11 - 15
Session 3: June 18 - 22
Session 4: June 25 - 29
Session 5: July 9 - 13
Session 6: July 16 - 20

TIMES

All sessions are from **9:00 a.m. - 3:00 p.m.**
Extended day available for additional fee.

FEES

Before April 30, 2012: \$200 per session
After April 30, 2012: \$225 per session
(Field Trip Fun classes require an extra \$20 activity fee.)

EXTENDED DAY

7:30 - 9:00 a.m. and 3:00 - 5:30 p.m.
Cost: \$150/Week or \$15/Hour

The extended day program will include activities which are less structured than those in the regular summer classes. These will include sports, games, videos, puzzles, art projects, and more. Extended day fees are in addition to regular class fees. **The extended day program is subject to cancellation if minimum enrollment is not met.**

REFUNDS

Due to our small class sizes, fees are not refundable. Refunds will be given, however, for any classes which are cancelled because minimum enrollment is not met.

LATE REGISTRATION

An extra \$25 fee will be charged for students who register on the Monday that a camp session begins.

REGISTRATION CHANGES

If you wish to move your student from one class to a different class, a \$25 fee will be charged for each change made. Changes must be made prior to the start date of the camp session, or change will be subject to an additional \$25 late registration fee.

GRADE AND AGE LEVELS

All class grade levels refer to the grade the student will be entering in the fall of 2012. For Pre-K level, the student must be 4 years old before the start date of the camp session.

LUNCH

Students should bring a complete sack lunch, including a beverage. Lunch will be supervised. **University School has a no-peanut policy; please do not include peanut products in children's lunches.**

BEHAVIOR

Students are expected to have good behavior and follow classroom and school rules at all times. Attendance at our summer program is a privilege, and inappropriate behavior may jeopardize that privilege.

LATE PICK-UP

Pickup is from 3:00 to 3:10 p.m. Any child not picked up by 3:15 p.m. will be sent to the Extended Day Program and charged the hourly rate, with a minimum of \$15.

UNIVERSITY SCHOOL STUDENT FEES

Two weeks of Camp Incredible 2012 are included in tuition for University School students (ages 4 and above) who are enrolled for the 2012-2013 academic year. To receive your two included weeks, you must choose your classes and register by April 30, 2012. Any registrations for Camp Incredible received after this date will be subject to the full \$225 fee per class.

* All Field Trip Fun classes require an extra \$20 activity fee. University School parents who choose Field Trip Fun as one of the two summer camps included for 2012-2013 students must pre-pay the \$20 extra activity fee.

** Enrollment in Kumon Mini Sessions Kumon classes is limited to University School students only. Mini sessions are daily hour-long Kumon sessions that can be taken by themselves or in addition to a summer camp. Please see class descriptions for details.

+ USchool students entering kindergarten-2nd grade are eligible to enroll in the "Math Junior" classes. Non-USchool students must be entering 1st or 2nd grade.

WEEK 1 - JUNE 4 - 8

1A An Old-Fashioned Day Camp

PreK - 1st Grade

Step back in time to the days when your parents or grandparents had summer day camp! We'll sing songs around the campfire, do silly chants, make arts and crafts, and, of course, we'll make new friends. Come join in the fun!

Instructors: Jane Poleman and Barbara Flynt

1B Where the Wild Things Are

PreK - Kindergarten

Come join us as we explore the wild things (animals) and places of North America. We will take virtual visits to national parks and have fun adventures in the wild spaces of our continent. Pack your backpack--we are going to where the wild things are!

Instructor: Cheryl McBride

1C Music Fun

PreK - 2nd Grades

Join us in a time machine of stories, songs, and skits through six musical eras from Baroque to Modern. Who were the great composers who have enriched our lives with their beautiful music? We'll dress up and act out special moments from their lives. We'll play listening games as we learn the emphasis of each era. At the end of the week, we'll perform *Time Travel through 400 Years of Music!*

Instructor: Cecillie Croissant

1D Knapsacks and Knee Socks

1st - 2nd Grades

Experience the outdoors - indoors! Bring your sleeping bag and pillow for an indoor camping adventure. Your adventure will include arts and crafts, snacks, and stories. We'll make camp buckets, create an edible campfire, and play campfire games. We will focus on a different storybook character or theme each day including *Froggy*, *Arthur*, and other age-appropriate favorites.

Instructor: Regina Ritchie

1E Lego Mania

1st - 3rd Grades

Come and immerse yourself in all things Lego! We'll build creations from Lego kits, have relay races, eat Lego-inspired snacks, and go wherever our imaginations take us!

Instructors: Mary Still

1F Field Trip Fun (Requires extra \$20 fee)

1st - 8th Grades

We'll have a week of field trips in this fun-filled class. Some of our activities and destinations may include swimming, roller-blading, biking, fishing, archery, skating, and water parks! Plan on eating lunch at a park daily. You don't need equipment for all of these things in order to participate. Rainy days will be just as fun. Field trips may vary depending on age of participants and weather. Snack and Gatorade provided daily. Athletic shoes/sneakers recommended.

This class requires pre-payment of an additional \$20 fee.

Instructor: Liz Daniels & Eileen Rutter

1G Awesome Art

3rd - 5th Grades

Do you enjoy art? Do you like to draw, paint, sculpt, or do collage? Join us for some super fun as we explore art from cave paintings to contemporary art. We'll study the elements of art and the principles of design through various media. Famous artists and their styles will be inspiration for many fun projects. At the end of the week, students will take home a portfolio of everything they've created.

Instructor: Cheryl Shane

1H Amazing Race USchool

3rd - 8th Grades

On your mark, get set, go! In this action-packed camp, you will get to participate in obstacle courses, relays, races, contests, and physical and mental challenges. We'll work in teams to solve clues and compete in challenges to complete the race. We may even take a field trip! Bring your competitive spirit, but don't worry -- you can't get eliminated from this race!

Instructors: Wanda Smith and Pam Thomason

1I Wii Have Fun**5th - 8th Grades**

Kick back and enjoy the latest Wii games with friends. We'll dance, race, hula hoop, and lots more with the latest and greatest Wii games. We'll also apply the games we play to some imaginative activities and learning of our own creation.

Instructors: Melissa Hamby

1J Survivor USchool**5th - 8th Grades**

Just like the TV show, only no one gets voted off the island! Compete to win points towards becoming the "Ultimate Survivor." We'll be doing lots of team-building activities and having tons of fun!

Instructor: Cyndie Yocham

1K Kumon Mini Session (\$60)**Kindergarten - 8th Grade****University School students only**

If your student is enrolled in another class this week, you may add this to your enrollment as a pull-out class. Each day, students will be pulled from their regular weekly camp class to do Kumon for one hour from 2:00-3:00 p.m. If your student is not attending camp this week, you may enroll him/her as a drop-in. The cost for either option is \$60. Open to University School students only. Not applicable for two weeks included with University School tuition.

Instructor: Gina Lewis

**WEEK 2 - JUNE 11 - 15****2A An Old-Fashioned Day Camp****PreK - 1st Grade**

Step back in time to the days when your parents or grandparents had summer day camp! We'll sing songs around the campfire, do silly chants, make arts and crafts, and, of course, we'll make new friends! Come join in the fun.

Instructors: Jane Poleman and Barbara Flynt

2B Construction Zone**PreK - Kindergarten**

Put on your hard hats and get ready to build, build, build when you enter the construction zone! We'll be creating a variety of structures using many different materials.

Instructor: Cheryl McBride

2C Musical Fairy Tales**PreK - 2nd Grades**

What's your favorite fairy tale? In this camp, we'll bring famous fairy tales to life through singing, acting, dressing up, and drawing. We'll also learn finger numbers and the musical alphabet, chant rhythms, and play songs on the piano. We'll draw, color, dance, and have an ear-training party. At the end of the week, we'll show everyone what we've learned.

Instructor: Cecilie Croissant

2D Holiday Fun**1st - 2nd Grades**

Come celebrate U. S. holidays with us! We will explore the traditions of lots of fun holidays such as Labor Day, Independence Day, Valentine's Day and many more. Activities will include reading, cooking, crafts, games, and more!

Instructor: Carol Carter

2E Field Trip Fun (Requires extra \$20 fee)**1st - 8th Grades**

We'll have a week of field trips in this fun-filled class. Some of our activities and destinations may include swimming, roller-blading, biking, fishing, archery, skating, and water parks! Plan on eating lunch at a park daily. You don't need equipment for all of these things in order to participate. Rainy days will be just as fun. Field trips may vary depending on age of participants and weather. Snack and Gatorade provided daily. Athletic shoes/sneaker recommended.

This class requires pre-payment of an additional \$20 fee.

Instructors: Liz Daniels and Eileen Rutter

2F Awesome Art**3rd - 5th Grades**

Do you enjoy art? Do you like to draw, paint, sculpt, or do collage? Join us for some super fun as we explore art from cave paintings to contemporary art. We'll study the elements of art and the principles of design through various media. Famous artists and their styles will be inspiration for many fun projects. At the end of the week, students will take home a portfolio of everything they've created.

Instructor: Cheryl Shane

2G Amazing Race**3rd - 8th Grades**

On your mark, get set, go! In this action-packed camp, you will get to participate in obstacle courses, relays, races, contests, and physical and mental challenges. We'll work in teams to solve clues and complete the race. We may even take a field trip! Bring your competitive spirit, but don't worry -- you can't get eliminated from this race!

Instructors: Wanda Smith and Pam Thomason

2H Lego Mania**4th - 8th Grades**

Come and immerse yourself in all things Lego! We'll build creations from Lego kits, have relay races, eat Lego-inspired snacks, and go wherever our imaginations take us!

Instructor: Mary Still

2I Design Star**5th - 8th Grades**

Learn how to use software like Google SketchUp to design three dimensional rooms and buildings. We will visit Tulsa's Fab Lab and use their machines to create some of our designs. We'll also use other design methods to create buildings and interiors.

Instructor: Melissa Hamby

2J Macramé Mania**5th - 8th Grades**

Come learn how to make beautiful macramé plant hangers and wall hangings. Once you learn a few simple knots, you will be making these items and much more with ease!

Instructors: Cyndie Yocham

2K Kumon Mini Session (\$60)**Kindergarten - 8th Grade****University School students only**

If your student is enrolled in another class this week, you may add this to your enrollment as a pull-out class. Each day, students will be pulled from their regular weekly camp class to do Kumon for one hour from 2:00-3:00 p.m. If your student is not attending camp this week, you may enroll him/her as a drop-in. The cost for either option is \$60. Open to University School students only. Not applicable for two weeks included with University School tuition.

Instructor: Gina Lewis

WEEK 3 - JUNE 18 - 22

3A Birds of a Feather

PreK - 1st Grade

Can all birds fly? Are all birds' nests and houses alike? You'll find the answers to these questions and more in this camp. Join us as we explore our feathered friends through nature walks, crafts, stories, and lots of other fun activities.

Instructor: Jane Poleman

3B Everything Grows

PreK - Kindergarten

Time to get your hands dirty as we learn about growing a garden! We will dig in the dirt and have fun as we learn about the different types of gardens. We'll plant flowers that attract butterflies and look at where vegetables come from. In this fun class, we'll discover just how everything -- from flowers to vegetables to trees -- grows!

Instructor: Cheryl McBride

3C Musical Train Ride

PreK - 2nd Grades

Get on this musical train and travel to wild and exotic places! We'll visit the Mountain King, the castles by the river, the storm in the forest, and more! Campers will create a train, draw, sing, and act out the music as they listen and learn some of the most beloved classics in music. At the end of the week, we'll invite everyone to join our journey. All aboard!

Instructor: Cecilie Croissant

3D Around the World

1st - 2nd Grades

Take a magic carpet ride around the world! We'll begin with a fun geography lesson reviewing continents and oceans. One or more countries will be explored each day through map-making, arts and crafts, videos, books, stories, and multicultural foods. Join in for a trip "Around the World!"

Instructor: Regina Ritchie

3E Flower Power

1st - 5th Grades

Everything's coming up roses . . . and tulips . . . and daisies! We'll create flowers with all kinds of materials including fabric, paint, paper, and clay. The week will end with a floral "garden party."

Instructor: Donna Sanmann

3F Field Trip Fun (Requires extra \$20 fee)

1st - 8th Grades

We'll have a week of field trips in this fun-filled class. Some of our activities and destinations may include swimming, roller-blading, biking, fishing, archery, skating, and water parks! Plan on eating lunch at a park daily. You don't need equipment for all of these things in order to participate. Rainy days will be just as fun. Field trips may vary depending on age of participants and weather. Snack and Gatorade provided daily. Athletic shoes/sneakers recommended.

This class requires pre-payment of an additional \$20 fee.

Instructors: Liz Daniels and Eileen Rutter

3G Awesome Art

3rd - 5th Grades

Do you enjoy art? Do you like to draw, paint, sculpt, or do collage? Join us for some super fun as we explore art from cave paintings to contemporary art. We'll study the elements of art and the principles of design through various media. Famous artists and their styles will be inspiration for many fun projects. At the end of the week, students will take home a portfolio of everything they've created.

Instructor: Cheryl Shane

3H Slumber Party at USchool

3rd - 5th Grades

Come enjoy a slumber party USchool style! Wear your pajamas and bring your pillow and blanket for a week of fun. We'll paint our nails, do our hair, sing karaoke, play Wii games, make party crafts, and cook our favorite slumber party foods! Don't miss this awesome week-long "sleepover."

Instructor: Carol Carter

3I Amazing Race**3rd - 8th Grades**

On your mark, get set, go! In this action-packed camp, you will get to participate in obstacle courses, relays, races, contests, and physical and mental challenges. We'll work in teams to solve clues and compete in challenges to complete the race. We may even take a field trip! Bring your competitive spirit, but don't worry -- you can't get eliminated from this race!

Instructors: Wanda Smith and Mary Still

3J Accessorize This!**3rd - 8th Grades**

We'll make a variety of accessories focusing on using a different material each day. We'll use duct tape, Shrinky-Dinks, felt, recycled materials, and some other fun surprises. Come and deck yourself out in handmade accessories.

Instructor: Melissa Hamby

3K Rocketry from A to Z**4th - 8th Grades**

From model rockets to space vehicles and everything in between, students will explore the world of rocketry in this fun, hands-on camp. Discover the principles of flight, parts of a rocket, rocket design, and the history of space travel. Design, build, and learn to fly your own model rocket to take home. It's time to ignite your creativity and let your imagination take flight!

Instructor: Glen Thomason

3L Survivor USchool**5th - 8th Grades**

Just like the TV show, only no one gets voted off the island! Compete to win points towards becoming the "Ultimate Survivor." We'll be doing lots of team-building activities and having tons of fun!

Instructor: Cyndie Yocham

3M Kumon Mini Session (\$60)**Kindergarten - 8th Grade****University School students only**

If your student is enrolled in another class this week, you may add this to your enrollment as a pull-out class. Each day, students will be pulled from their regular weekly camp class to do Kumon for one hour from 2:00-3:00 p.m. If your student is not attending camp this week, you may enroll him/her as a drop-in. The cost for either option is \$60. Open to University School students only. Not applicable for two weeks included with University School tuition.

Instructor: Gina Lewis

WEEK 4 - JUNE 25 - 29

4A Birds of a Feather**PreK - 1st Grade**

Can all birds fly? Are all birds' nests and houses alike? You'll find the answers to these questions and more in this camp. Join us as we explore our feathered friends through nature walks, crafts, stories, and lots of other fun activities.

Instructor: Jane Poleman

4B Everything Grows**PreK - Kindergarten**

Time to get your hands dirty as we learn about growing a garden! We will dig in the dirt and have fun as we learn about the different types of gardens. We'll plant flowers that attract butterflies and look at where vegetables come from. In this fun class we'll discover just how everything -- from flowers to vegetables to trees -- grows!

Instructor: Cheryl McBride

4C Music Fun**PreK - 2nd Grades**

Join us in a time machine of stories, songs, and skits through six musical eras from Baroque to Modern. Who were the great composers who have enriched our lives with their beautiful music? We'll dress up and act out special moments from their lives. We'll play listening games as we learn the emphasis of each era. At the end of the week, we'll perform *Time Travel through 400 Years of Music!*

Instructor: Cecillie Croissant

4D Apple of My Eye**1st - 2nd Grades**

The week will be filled with apples!! We'll make apple crafts, read apple stories, make apple snacks -- do EVERYTHING apples! Campers will even perform a play about Johnny Appleseed. The camp will also include fun lessons on nutrition and how to keep our bodies healthy. You know what they say about an apple a day!

Instructor: Regina Ritchie

4E Happy Birthday, USA!**1st - 5th Grades**

Get ready for America's birthday, July 4th, with a week-long patriotic party including crafts, games, red-white-and-blue food and lots more! Come celebrate the birthday of the good 'ole USA!

Instructor: Donna Sanmann

4F Field Trip Fun (Requires extra \$20 fee)**1st - 8th Grades**

We'll have a week of field trips in this fun-filled class. Some of our activities and destinations may include swimming, roller-blading, biking, fishing, archery, skating, and water parks! Plan on eating lunch at a park daily. You don't need equipment for all of these things in order to participate. Rainy days will be just as fun. Field trips may vary depending on age of participants and weather. Snack and Gatorade provided daily. Athletic shoes/sneakers recommended. **This class requires pre-payment of additional \$20 fee.**

Instructors: Liz Daniels and Eileen Rutter

4G Math, Cooking, and Crafts**3rd - 5th Grades**

Join us for a week of math practice, math games, cooking, and crafts. USchool students will do Kumon, and non-USchool students will do math practice worksheets. Besides working on math skills, we'll learn to cook, make some tasty snacks, and do a variety of fun crafts.

Instructor: Wanda Smith

4H Sew Tasty**3rd - 8th Grades**

You'll be in stitches all week in this fun class. We'll sew a variety of simple items, and our cooking activities will focus on quick breads and cookies. (No previous sewing experience or skills necessary.)

Instructors: Melissa Hamby and Mary Still

4I Macramé Mania**5th - 8th Grades**

Come learn how to make beautiful macramé plant hangers and wall hangings. Once you learn a few simple knots, you will be making these items and much more with ease!

Instructors: Cyndie Yocham

4J Kumon Mini Session (\$60)**Kindergarten - 8th Grade****University School students only**

If your student is enrolled in another class this week, you may add this to your enrollment as a pull-out class. Each day, students will be pulled from their regular weekly camp class to do Kumon for one hour from 2:00-3:00 p.m. If your student is not attending camp this week, you may enroll him/her as a drop-in. The cost for either option is \$60. Open to University School students only. Not applicable for two weeks included with University School tuition.

Instructor: Gina Lewis

WEEK 5 - JULY 9 - 13

5A Peace Love & Yoga

PreK - 1st Grade

Learn all about yoga in this class designed especially for kids! We'll practice fun and relaxing poses every day plus enjoy crafts and lots of other fun activities.

Instructor: Jane Poleman

5B ¡Español es Divertido! (Spanish is Fun!)

PreK - 1st Grades

Come explore the Spanish language and culture. We'll learn vocabulary and put it into action! We'll play games, make arts and crafts, dance, and sing songs to celebrate what we have learned. Spanish IS fun!

Instructor: Mary Still

5C Musical Fairy Tales

PreK - 2nd Grades

What's your favorite fairy tale? In this camp, we'll bring famous fairy tales to life through singing, acting, dressing up, and drawing. We'll also learn finger numbers and the musical alphabet, chant rhythms, and play songs on the piano. We'll draw, color, dance, and have an ear-training party. At the end of the week, we'll show everyone what we've learned.

Instructor: Cecillie Croissant

5D Math Junior/This and That

1st - 2nd Grades (USchool students - K-2)*

Keep your skills sharp and gain momentum with math practice this summer! USchool students will do Kumon each day, and non-USchool students will practice basic math. When we're not doing math, we'll have fun with "A Little This and a Little That." Other activities will include crafts, games, cooking, and a party on Friday!
***USchool students entering kindergarten - 2nd grade are eligible to enroll in this class. Non-USchool students must be entering 1st or 2nd grades.**

Instructor: Carol Carter

5E American Girl Adventures

1st - 2nd Grades

Enjoy a week of adventures based on American Girl® materials. Puzzles, games, crafts, movies, snacks, and stories will keep your American girl entertained. Campers are welcome to bring their dolls to camp. (University School is not responsible for dolls and other items brought to camp.)

Instructor: Regina Ritchie

5F Field Trip Fun (Requires extra \$20 fee)

1st - 8th Grades

We'll have a week of field trips in this fun-filled class. Some of our activities and destinations may include swimming, roller-blading, biking, fishing, archery, skating, and water parks! Plan on eating lunch at a park daily. You don't need equipment for all of these things in order to participate. Rainy days will be just as fun. Field trips may vary depending on age of participants and weather. Snack and Gatorade provided daily. Athletic shoes/sneakers recommended.

This class requires pre-payment of additional \$20 fee.

Instructors: Liz Daniels and Eileen Rutter

5G Math, Cooking, and Crafts

3rd - 5th Grades

Join us for a week of math practice, math games, cooking, and crafts. USchool students will do Kumon, and non-USchool students will do math practice worksheets. Besides working on math skills, we'll learn to cook, make some tasty snacks, and do a variety of fun crafts.

Instructor: Wanda Smith

5H Math, Cooking, and Crafts

6th - 8th Grades

Keep your skills sharp and gain momentum in math this summer. USchool students will do Kumon twice each day, and non-USchool students will do math practice work. In addition, students will engage in a variety of other math skill activities. We'll spend the rest of our time with some fun activities including games, crafts, cooking, and more.

Instructor: Cyndie Yocham

5I NXT Robotics Programming**4th - 5th Grades**

Love Lego NXT robots? This is the camp for you! Brush up on your programming skills and learn how to make the robots maneuver in a variety of ways.

Instructor: Melissa Hamby

5J Sew Fun**5th - 8th Grades**

No experience needed! In this fun class, we'll learn basic sewing skills and use them to sew a pillow and pajama pants. We'll also do reverse appliqué, do some crafts using beads and Shrinky Dinks, and play fun games.

Instructor: Lori Hovenesian

WEEK 6 - JULY 16 - 20

6A Peace, Love, and Yoga**PreK - 1st Grade**

Learn all about yoga in this class designed especially for kids! We'll practice fun and relaxing poses every day plus enjoy crafts and lots of fun activities.

Instructor: Jane Poleman

6B Musical Train Ride**PreK - 2nd Grades**

Get on this musical train and travel to wild and exotic places! We'll visit the Mountain King, the castles by the river, the storm in the forest, and more! Campers will create a train, draw, sing, and act out the music as they listen and learn some of the most beloved classics in music. At the end of the week, we'll invite everyone to join our journey. All aboard!

Instructor: Cecilie Croissant

6C Math Junior/Fun with Paper**1st - 2nd Grades (USchool students - K-2)***

Keep your skills sharp and gain momentum with math practice this summer! USchool students will do Kumon each day, and non-USchool students will practice basic math skills. When not working on math activities, students will have fun producing many, varied, and unusual paper creations using different paper products.

***USchool students entering kindergarten - 2nd grade are eligible to enroll in this class. Non-USchool students must be entering 1st or 2nd grades.**

Instructor: Carol Carter

6D Alphabet Soup**1st - 2nd Graders**

Take an ABC adventure as we travel through each letter of the alphabet. We'll focus on animals, insects, and creatures of the sea. Campers will enjoy special theme days including Nature Day, Ocean Day, Zoo Day, and Circus Day. And yes, we will even eat alphabet soup! Join us for arts, crafts, games, stories, puzzles, and silly snacks.

Instructor: Regina Ritchie

6E Beat the Heat**1st - 5th Grades**

What do ice cream, paper fans, popsicles, snowflakes, and igloos have in common? Find out as we stay "cool" during the scorching heat of summer. Join us for lots of fun activities in this summery class!

Instructor: Donna Sanmann

6F Field Trip Fun - Big Splash (Extra \$20 fee)**1st - 8th Grades**

This special week of Field Trip Fun will include time at Big Splash Water Park every day, along with other field trip activities such as fishing and going to the park. Participants will receive a Big Splash Pass and a cup to use all summer. Athletic shoes/sneakers recommended. **This class requires pre-payment of an additional \$20 fee.**

Instructors: Liz Daniels and Eileen Rutter

6G Math, Cooking, and Crafts**3rd - 8th Grades**

Keep your skills sharp and gain momentum in math this summer. USchool students will do Kumon twice each day, and non-USchool students will do other math practice. In addition, students will engage in a variety of other math skill activities. We'll spend the rest of our time with some fun activities including games, crafts, cooking, and more.

Instructor: Cyndie Yocham

6H Trash to Treasure**4th - 8th Grades**

What can you do with old magazines, worn out t-shirts, and empty breath mint tins? Make really cool stuff! Join us for this class as we turn recycling into UP-cycling. We'll make beautiful bowls, stylish scarves, headbands, bags, and lots more.

Instructors: Shelly McCollum & Carolyne Duncan

6I NXT Robotics Programming**6th - 8th Grades**

Love Lego NXT robots? This is the camp for you! Brush up on your programming skills and learn how to make the robots maneuver in a variety of ways. One of the goals of this camp will be to learn how to program the robots to use sensors.

Instructor: Melissa Hamby
